Announcing The Industry's Best Steep-Slope Contractors

For nearly 15 years, the GAF Master Elite™ Contractor Program has been the gold standard of contractor certification programs. How do we know? Because more than 90% of homeowners surveyed said they would recommend their Master Elite™ Contractor to a friend or loved one!* We can't thank each of you enough for your dedication to providing property owners with their best and safest choice in roofing.

Our personal, special thanks go to the Master Elite™ Contractors listed below, who are our 2011 Excellence Award Winners for the Southwest Area of the U.S. You have distinguished yourselves as the top performers in one (or more!) of three service/training categories that are key to customer satisfaction. Each of you should be genuinely proud of your achievements—and for being one of the “best of the best” in the roofing industry!
