Buck Roofing & Construction LLC Receives Excellence Awards

WAYNE, NJ (02/12)– GAF, North America's largest roofing manufacturer, is pleased to announce that *Buck Roofing & Construction LLC* of *Kansas City, KS*, is one of only *eighty-five contractors in the country* to receive all three of the prestigious GAF Master Elite *Excellence Awards*. These coveted industry awards recognize *Buck Roofing & Construction LLC's* dedication to quality roof system installations, and their commitment to continuous improvement and superior customer service.

Most consumers recognize that choosing a roofing contractor can be a confusing and sometimes risky decision. In fact, the Better Business Bureau lists roofing as one of the highest inquiry categories nationwide. As a factory-certified Master Elite™ Contractor, *Buck Roofing & Construction LLC* has been carefully pre-screened by GAF. In fact, only 2% of the roofing contractors in the country have earned GAF's Master Elite status – a distinction that truly sets them apart from the rest, and ensures that *Buck Roofing & Construction LLC* is dedicated to helping every customer make their best and safest roofing decision. As a GAF Master Elite Contractor, they are also dedicated to continuous improvement and training through access to CARE (the Center for the Advancement of Roofing Excellence). CARE is a non-profit educational institute supported by GAF and dedicated to "changing an industry through excellence in education."
